

# 11<sup>th</sup> Annual Northeast Sonex Fly-In

## 2023

After a 5-Year Hiatus the Northeast Sonex Fly-In is Returning!

The 11th Annual Northeast Sonex Fly-In will be hosted this year on:

Saturday, September 30, 2023, from Noon until 5pm at KFOK - Francis S. Gabreski Airport  
in Westhampton Beach, NY (Long Island).

(The rain date is Sunday, October 1, 2023)

There will be door prizes proudly sponsored by Sonex. This event is co-sponsored by our local EAA Chapter: 528 for Suffolk County, NY.

The event will be located on the South Side of the Airport at the South Hangars off taxiway Sierra between Runways 1 & 33. There will be finger foods, drinks, and desserts for a nominal fee to support the event, and our local EAA Chapter. This is an informal event to socialize with other Sonex builders as well as members of the local flying and building community.

**sonex-B**

The event will also include a small dedication for B-Model Builder Tim Wrede and his "Badass-B". An Aeromomentum Powered tri-gear B-Model Sonex.
